

# Abdallah Fouad

## WEB DEVELOPER

### PROFESSIONAL SUMMARY

Web Developer with a strong passion for detail and clean architecture, specializing in building and maintaining modern, high-performance, and dynamic web applications. Proficient in HTML5, CSS3, and JavaScript, focused on crafting responsive, user-centric UIs. I possess an expert command of PHP and SQL for robust back-end logic, with proven hands-on experience using the Laravel framework to deliver secure and scalable solutions. My work is guided by solid OOP principles, ensuring a commitment to clean code, performance optimization, and continuous technical growth.
